#### ABOUT SCOPE FORUM OF CONCILIATION AND ARBITRATION (SFCA)

The SCOPE Forum of Conciliation and Arbitration (SFCA) provides an impartial mechanism for resolving disputes between Public Sector Enterprises (PSEs) and their associates in a fair, structured, and time-bound manner. By promoting conciliation and arbitration, it helps avoid the complexities and costs of prolonged litigation, conserves organizational resources, and ensures that disputes are settled amicably.

This not only supports efficiency and industrial harmony but also strengthens professional relationships and builds confidence in institutional systems of resolution.
