SCOPE Eminence Awards, judged by distinguished panel of Jury and Chaired by eminent former Chief Justice of India have emerged as a credible and prestigious platform for recognising exceptional organisational performance and leadership across the public sector. It is a matter of immense pride that these Awards have been given by highest echelons of the Government of India. It is pertinent to mention that the previous edition of SCOPE Eminence Awards received an overwhelming response as it received the blessings of Hon'ble President of India, Smt.
